

REGISTRATION OF ATTORNEYS AT LAW AND VALUERS FOR YEAR 2027

Education Cooperative Society consisting of around 226,000 members employed in island's education field issues loans after keeping the properties of members who apply for loans as sureties under the Property Loan Scheme implemented by the Society.

It is anticipated to register Attorneys at Law and Valuers who have fulfilled the following qualifications to **obtain entitlement reports and valuation reports pertaining to those properties and for certification** of eligibility for obtaining loans after checking the property loan files and writing Deeds of Transfer.

- **Entitlement Reports / Certification of Eligibility for obtaining Loans and writing Deeds of Lease and Deeds of Transfer:**

Should have at least 10 years experience in civil courts and notary work as an Attorney at Law with Notary License

- **Valuation Reports:**

Membership of the Sri Lanka Valuers Association established by Act No. 33 of 1975 and should have 05 years experience as a valuer in government or reputed institution

Professionals who wish to register should send their applications consisting of all qualifications and details and along with the photocopies of professional certificates by registered post to the address given below to receive before 30.10.2026.

As it has been decided to register the professionals for the above services based on education zones of all administrative districts in the island, it is essential that you clearly mention the district and education zone that you wish to provide your services in your application.

The caption **“Registration for Professional Services – Attorneys at Law”** by the applicants applying for Attorneys at Law and **“Registration of Professionals – Valuers”** by the applicants applying for Valuers should be mentioned on the left hand top corner of the envelope containing the application.
